WHEN SUBMITTING SAMPLES, LABEL ALL SAMPLE CONTAINERS WITH PATIENT'S FULL NAME. WE WILL NOT PROCESS UNIDENTIFIED SAMPLES, NO EXCEPTIONS.

A doctor's order is **required** for all tests. Upon receiving the kit, ensure that your doctor fills out the "Ordered By" and Test Request portions of the Clinical Laboratory Test Request Form.

We **do not** accept insurance; the patient must pay up front. We issue a fully itemized and coded receipt that the patient can submit to their insurance company for reimbursement.
